Another Big Year at LPHS

Autumn 1963 brought another busy year to students of La Porte High School. Sophomores, Juniors, and Seniors worked together in the many academic and extra-curricular activities which were integral parts of the typical school day. Students and teachers both agreed that this had been "Another Big Year at LPHS."

Girls' State Representatives were Randi Morse, Betsy Roush, and Mary Bortz.

The Senior Girls of the class of 1963 were entertained by the A.A.U.W.

Around the School

Another big year in LPHS began for the students during the summer before school started. Students finished last year's activities with the El-Pe party and started the activities for the fall by attending instructive camps and institutes. In the fall students began their school activities, which included sports, music, and drama. These programs continued through the year to keep the students busy and active in school affairs. The events that took place in the school year 1963-64 made this another big year for the students.

Boys' State Representatives were Dale Grassmyer, John Holmes, Terry Kepler, and Bill Replogle.

The Drama Institute at Northwestern provided experience in drama for Bill Bard.

The year's activities ended with an El-Pe Autograph Party for all the students.

The varsity cheerleaders often hold their practices at Kiwanis Field.

The pep band gave their support at all of the pep sessions during the year.

Janis Lewis sang her way to the title of Miss G.R.

The Swing Choir performed for various clubs and organizations during the year.

Mr. Hockett discusses the details of a picture with some of the art students.

Betty Vogel models the dress she made in home economics for the style show.

Charlie Biggers was chosen Most Valuable and selected to the All-Conference team.

Top fifteen seniors: J. Griffith, M. Morse, R. Roush, M. Wooden, J. Henry, K. Cummings, S. Rowley, M. Bortz, E. Ivey, R. Titus, R. Fischer, S. Bradhares, J. Russ, J. Williams, B. Bard.

Citizens of Kwimperville exert a unified effort to save Kwimperville from the perils of Backie and the Queen Bee by beating them at their own game

Pioneer, Go Home

Toby Kwimper was unanimously elected sheriff of Kwimperville at the first town meeting

"Pioneer, Go Home" was produced under the direction of Mr. Roger Munson and student directors Pamela Withee and Kathy Larson. The misadventures of Toby Kwimper, his loafer father, and their attempt to beat the U.S. government was the theme of this hilarious comedy

The curtain opened as Toby (John Chalik) and his family which included Pop (Dave Olson), his sisters Morrystown (Mary Post), and South Orange (Lydia Bean), and their babysitter Holly (Myra Howell) were traveling south. Their ancient car had just broken down in the middle of a Florida swamp. Pop set up camp, but the peace was soon interrupted by the arrival of the department of highways superintendent, H. Arthur King (Mark Richardson). It seemed the camp was in the middle of a super high-

way project. However, Pop feels he has first rights to the area, and he begins a complicated and hilarious battle against the highway department, the state, and the whole government.

Kwimperville has become "another betterment project" and Pop busily recruits new citizens for the settlement of shacks and lean-tos. Holly is trying all the while to win Toby's affection and her efforts are thwarted by the arrival on the scene of a social worker, Miss Claypool (Ginnv Zimmermann), but Holly finally manages to capture Toby's heart.

The Kwimper family encounters many perils and problems but through hard work and determination they are able to establish their home in the thriving settlement of Kwimperville.

Toby relates the struggles of life as he tells the story of Kwimperville to the audience.

Miss Claypool tries to capture the "inner soul" of Toby through psychology.

Holly Smith, with the citizens of Kwimperville supporting her, presents the regulations of Kwimperville to the Queen Bee and her gang.

In the sewers beneath New York City, Sky Masterson tells the gang how to do it.

"Guys

The Music and Drama department of La Porte High School combined to present the musical "Guys and Dolls" by Frank Loesser and Abe Burrows. The play is set in New York City in the late 1940's. Adelaide (Karen Salek) found herself under pressure from her mother and her fourteen year old "cold." Her schemes to marry Nathan (John Rokely) were aided by Lieutenant Branigan (Joe Russ). Nathan also involved his friend Sky Masterson (Carl Galloway), in an affair with Sgt. Sarah Brown (Judy Garwood) of the Save-A-Soul Mission. After a surprise trip to Cuba, Sky and Sarah returned to a

mission full of crapshooters. The gamblers changed the location of the game to the sewer where Sky later rolled them one thousand dollars against one evening in the Mission. He won the bet and saved the day for him and Sarah. After an American prayer meeting, Sarah left to find Sky but she found Adelaide instead. They convinced each other of the necessity of accepting the bad points of Nathan and Sky and marrying them right away. A few days later Sky, as a member of the mission band, offered the mission as a place for Nathan's and Adelaide's wedding

The Social Studies Club float was selected as the first place winner in the Homecoming parade.

Homecoming—1963

October 4 was a beautiful, brisk autumn evening—perfect for the 1963 Homecoming. The festivities began with a parade down Lincolnway and out to the high school. The parade was led by the La Porte High School Marching Band and included six floats, the Homecoming Queen candidates, and cheerleaders. When the parade reached the school grounds, a pep session, led by the cheerleaders, was held around the bonfire.

Students then rushed to Kiwanis Field for the Homecoming game with Goshen. After an exciting

and successful first half, La Porteans watched the half-time show. As the band formed a crown on the field, the floats were reviewed before the crowd. The Social Studies Club float was the winner. The half-time activity climaxed with the crowning of the 1963 Homecoming Queen, Myra Bowell. When the second half of the game ended, the score was 38–6. The Homecoming dance was held at the high school following the game. Thus ended the celebration of Homecoming 1963 for the LPHS students.

The Pepper Club cheers the team on to a victory

Pepper Club

At an organizational meeting held in early fall, Susan Ivey was elected president of the 1963-64 Pepper Club. Other officers included Linda Schroeder, vice-president, Becky Fields, secretary, and Judy Mussleman, treasurer.

With the help of Mrs. Prokop, Pepper Club sponsor, the advisory board, and the varsity cheerleaders, Pepper Club was a great success.

The advisory board, consisting of two representatives from each class, was chosen by the officers.

This year something new was tried in organizing the cheering block. Instead of having two sections as in the past years, only one was used. Girls wore all black with the orange gloves adding much color to the section. The "LP" formation was not used because of the lack of girls.

Each week a group of girls was chosen to make a hoop. The hoop was made of paper covering a metal hoop, with a warning for the opposing team painted on it. At the games the team entered the auditorium through the hoop.

The 1964 officers of Pepper Club are Linda Schroeder, Judy Mussleman, Susan Ivey, and Becky Fields.

Varsity and Reserve Cheerleaders

Last spring the student body elected six girls for the varsity cheerleader squad. Each girl performed two cheers and the school song during an assembly. The six girls were Dianne Bernacchi, Vicki Bernacchi, Judy Reed, Penny Scholl, Carol Uhlemann, and Donna Uhlemann. The girls then chose their own captain, Donna Uhlemann. Miss Karen Johnson is the faculty sponsor.

In the month of June, these six girls attended the Smith Walbridge Cheerleading Camp in Syracuse, Indiana. There they worked on new techniques of cheering to use in the coming season. During the remainder of the summer, the girls practiced about four nights each week. When school started in the fall, they cut practices down to once or twice per week. The varsity cheerleaders cheered at all of the home basketball and football games and traveled to most of the out-of-town games.

The reserve cheerleaders were chosen by the student body in the fall. Their try-out was the same as the varsity try-out. The girls chosen for reserve cheerleaders were Jane Froth, Sally Hacker, Karen Salek, and Carol Swanson. These girls cheered at the home basketball games. The reserve cheerleaders attended as many out-of-town games as possible.

"Lavender Blue"

It was a lovely, cool May evening when two hundred-fifty couples crowded into the Civic Auditorium for the LPHS Junior-Senior Prom. It was a night that everyone had waited for and worked for, hoping it would be a success. The theme of the 1963 Prom was "Lavender Blue." The Civic was decorated with highlights of these colors. The ceiling,

with a thirty-foot rose hanging from it, was made up of petals of different shades of lavender and blue. The tables, which were decorated with streamers of lavender and blue, were placed along the sidewalls. The sides were accented with puffy carnations. As the hour of ten approached, everyone waited anxiously. When the time arrived, the queen candi-

dates Diane Bienas, Janice Bozek, Janet Edington, Kathy Link, Pat Little, Marti Sweitzer, and Diane Struss, were escorted to the stage where a life-size Gazebo, with a white set-in wrought iron throne, awaited the queen. Following the candidates were little Sarah Jones, and David Clark, bearing the roses and crown. James Riley, Junior Class President, then crowned Diane Struss 1963 Prom Queen. The couple then proceeded to lead the Grand March which was followed by their dancing to the song "Deep Purple."

At twelve o'clock the prom-goers were escorted in new cars to the La Porte Theatre where they saw "Period of Adjustment." This was the beginning of the post-prom activities. Following the show, the couples were driven back to the Civic Auditorium, where a buffet dinner was served by the La Porte Service Clubs. The activity ended with entertainment, given by a juggler, a hypnotist and a comedian. Prizes were also awarded throughout the program to different ticket holders. These were provided by the many La Porte businesses.

As dawn approached, the weary couples left the Civic. This, of course, was not the end; it was the beginning of a day of breakfast parties and beach parties for those who still had the prom spirit.

Art Department

This year the art department was headed by Roland Hockett, a former LaPorte High School graduate. The art classes were divided into different groups depending on the type of art involved. These were beginning art, arts and crafts, commercial art, and advanced art.

The art classes helped in many of the school projects. At the Christmas assembly some of the art students painted beautiful murals, also during the Christmas season, they made decorations for the trees. They have made signs and posters for various school events and have helped with the scenery of various plays.

Some of the major projects done by the students consisted of working with clay, linoleum blocks, sculptures, and drawing and painting.

Exercises require many different abilities, such as a long stretch

Gym and Health

This year, both the sophomore and junior classes were required to take physical education classes. During the warmer weather, the boys' and girls' classes participated in outdoor events held either on the lots behind the school or at Kiwanis Field. Tennis, hockey, football, and baseball were among the events held for both classes. During colder weather, classes in tumbling, volleyball, and basketball and on the trampoline were held in the gym. The girls' gym classes also went to Melody Bowl for bowling instructions. Many of the seniors interested in physical education acted as assistants in some of the gym classes.

Health is also required for graduation. All students must take one semester at some time during their high school careers. This course is a study of the systems in the human body and their care. Physiology is offered to students wishing to continue this study.

Discussion groups in French class help students to apply their knowledge in the language.

Mrs. Stevenson explains some verb tenses to her Spanish class.

The language laboratories aid the students in the conversational use of the languages.

Nancy Gettinger and Susan Russo point out some of the features of a display to their Latin class.

Foreign Languages

The two modern languages offered at LaPorte High School are French and Spanish. Each course offers four years of study. Four years of Latin are also offered.

The French and Spanish students have a new program to look forward to. After passing an oral and written examination, the student may be considered for a trip abroad with other students taking the language. If the students are selected they must take the language a fourth year.

The first year French and Spanish students start out speaking English, but as they progress they tend to speak no English at all.

The courses in Latin stress the connections between the Latin and English language. Students enrich their vocabulary through the study of Latin. The advanced classes study Caesar, Vergil, and Cicero during the semester.

English Department

English is a required course which must be taken for three years at LPHS. Composition, speech, and literature are each taken for a semester. This automatically gives the student a major in English and the privilege of taking composition or literature in his senior year.

Journalism courses are offered giving the student a chance for a position on the Hi-Times staff, headed by Mr. Ted Belec.

The El-Pe staff, headed by Mr. Shannon Refett, also offers students a chance to display their knowledge of journalism on the LPHS yearbook.

Students take a break from English to observe Mr. Linnemann's class.

Nancy Rose receives help from Mrs. Morgan in Senior Composition class.

Students learn many interesting things about figures in geometry.

To meet the growing interests in mathematics, LaPorte High School offers a variety of math courses. The basis for high school math is begun in the ninth grade by taking either algebra or general mathematics.

When the students reach high school, they usually continue their studies in this field, although no further study in math is required. Geometry is offered and often taken in the sophomore year. This course is a study in both plane and solid geometry. Further study in math can be made through advanced algebra and trigonometry in the junior year. If students are preparing for college mathematics, courses are offered in college algebra and calculus.

For those students with more ability in mathematics, a special, or accelerated mathematics program is offered during the freshman through senior years.

Math and Science Departments

Mr. Hyde gives a student individual help with a problem in one of his advanced math classes.

With the increased interest in science, LaPorte High School has increased the opportunities for students in this field. For the scientifically-minded students, advanced courses are available in three different fields.

All students must take one year of science to complete graduation requirements. This requirement is usually fulfilled with one year of biology. Further study in the field of biology is offered through an advanced biology course.

If students are interested in scientific fields other than biology, they may pursue their interest in chemistry and physics. For students interested in college preparation, chemistry and college chemistry offer opportunities for experimentation with modern lab equipment. In the field of physics, the first year course is a study of the basic fundamentals of heat, sound, electricity, light, and matter. A course in electronics may be taken to complete the study in physics.

Mr. Collier gives an explanation to some of the boys in one of the machine shop classes.

Vocational

Students in the vocational department are preparing for the future. In the home economics department, girls are taught skills in home nursing, cooking, and interior decorating.

In the industrial arts department, boys receive valuable training in a variety of fields. A class in electricity teaches the basic fundamentals of electronics. The print shop uses its offset press to print *The Hi-Times* each week as well as other papers for the school. A class in power mechanics is also offered for boys interested in shop work.

The cooking classes have a new and a variety of cooking needs.

The dining room provides a place to practice serving and entertaining.

Commercial

Judy Rauner seems intent in her study of business math

The commercial department of LaPorte High School offers a variety of courses to prepare students for the business world. In the field of finance, three years of bookkeeping are offered. Business law, concerning court transactions, is also offered. For students interested in office work, shorthand is offered. Whirlpool offers an opportunity for shorthand students to work in I.B.M. under their direction. Two years of typing are also offered and prove helpful to most students. The commercial department offers experience for students seeking jobs and also for the college-bound students.

The girls in Mrs. Embree's shorthand classes are often given quizzes to help them keep in practice

Social Studies

Social Studies at LPHS consists of several different courses. World History is an elective course in the sophomore year. This course covers prehistoric times to the Korean War. United States History is required in the junior year. An "American Observer" is also used to cover current events. In the senior year sociology and civics are required, but other electives are offered; these are economics, sociology and international relations. Sociology studies man, his problems and relations with people. Civics deals with the study of government of the United States. All of the courses offered in this department help to prepare students for college.

The Library

This year, the library was a center of interest for student activity. During the day, study halls were in session in the library. After school students used the library for extra study and reference; a combination of beauty, comfort, and convenience gave it an ideal atmosphere for study. The facilities of the library were also transported to the study halls in the cafeteria by the use of a book cart, which was operated each hour by one of the library assistants. This convenience gave those students an opportunity to do their library work in the study hall. Mrs. Alice Deputy, librarian, and Mrs. Harriet Garrison, library clerk, worked through the year in the library to keep order and help the students. They were aided by the girls of the Library Club who worked as assistants to them, checking out books, repairing the damaged books and magazines, and doing various other jobs.

As incoming freshmen of the Class of '64, we elected Dale Grassmyer, president; Neil Scharf, vice-president, and Myra Bowell, secretary-treasurer. Mr. Hanna served as our class sponsor. During our Sophomore year Mrs. Robert Dring helped us in carrying out the various activities. We sponsored a class dance and a record hop to raise prom funds.

Our Junior year proved to be a busy and exciting one. In addition to becoming upperclassmen, we spent our first year in the new high school. To go along with the new surroundings, new and different activities developed, including the "Little 500" bicycle race at Kiwanis Field to raise funds for the prom. Jim Riley, president, was assisted by Steve Dablow as vice-president, Nancy Rose as secretary, and Ginni Zimmermann as treasurer. The

biggest event of the year was, of course, the prom. Our theme was "Lavender Blue" with the Civic Auditorium turned into a formal garden centered around a giant-petaled rose canopy. Thanks to our class sponsors, Mrs. Dale Guyer and Mr. Ed Feikes, our junior year was a big success.

To head the second graduating class from the new school we chose Bill Angrick, president; John Holmes, vice-president; Jim Chapin, secretary; and Penny Miller, treasurer. We worked in the concession stands, sponsored after-game dances, and made enough money to sponsor the annual Junior-Senior Banquet. Giving invaluable assistance in making our last year a huge success were our class sponsors, Mr. James Collier and Mr. Roger Smith. In the spring we presented class night and the year was climaxed by the Junior Prom.

In Memoriam

On Sept. 29, Jerry Johnson, a senior, was tragically killed in a truck-motor bike accident west of La Porte. The son of Mr. and Mrs. Wayne Johnson, Jerry had an intense interest in science fostered by his father who teaches physics at L.P.H.S. He had assembled a large and impressive collection of rocks and fossils and hoped to enter the field of geology after college. A fine student, he had won the respect of his classmates and teachers for he maintained a high average, ranking in the upper 20 per cent of his class. He received post-humously a letter of commendation from the National Merit Scholarship Program. His passing is a deep loss to his friends. A memorial fund in his honor has been set up to purchase some equipment for the science department.

Gloria Mancini

Gloria Mancini was our American Field Service student for this year. Her home is in Uruguay, but while attending La Porte High School she lived with the Ralph Rackham family.

Gloria had no trouble making friends and adjusting to the ways and activities of her American sister Micki and her friends.

Many extracurricular activities kept Gloria busy. Among these were French Club, Girl Reserves, Pepper Club, and Sr. Girl Representatives.

Administration

The Board of the La Porte Community Corporation consists of seven elected members representing Scipio and Center township and the city of La Porte. This Board meets regularly throughout the year to study and set policies, budgets, and financing and work out problems arising throughout the year regarding personnel, buildings and grounds and public relations. The members are elected to serve a four year term with membership alternating to keep continuity on the Board. It is the responsibility of the Board to study the needs of the community regarding new school locations and keep the public informed on the quality of the educational facilities and standards for the students of La Porte.

Miss Frankie Jones

A familiar face around LPHS is that of Miss Frankie Jones. Miss Jones, who retired this year after teaching thirty-nine years at La Porte, began in 1924. Coming to the high school in its first year in the Harrison Street building, she has seen the move into our new building. While at the school Miss Jones taught English, Civics and U.S. History. She also was the founding sponsor of Social Studies Club.

Graduating from the University of Chicago with a Ph.B., she continued her education there and completed her Masters in 1935. She has also attended Indiana State, Harvard, the American University, and the University of Wyoming. In addition to teaching in La Porte she has taught in Montpelier and Becknell, Indiana.

To occupy her spare time Miss Jones has been active in the AAUW, La Porte County Historical Society, and the League of Women Voters. Her hobbies include reading, attending the theater, listening to records and traveling. She is an active member of the First Methodist Church.

Mr. Edgar Hobbs

A well-known teacher at La Porte High School for the past thirty-one years has been Mr. Edgar Hobbs. Coming to LPHS in 1931 after teaching at Union Township in Howard County, Taylor Township in Howard County, Mooresland, Indiana, Goodland, Indiana, and Noblesville, Indiana. Mr. Hobbs has brought the pleasure and arts of woodworking to many boys in the Industrial Arts Department. In addition to teaching woodworking, Mr. Hobbs has taught mechanical drawing, blueprint reading, and arithmetic.

Mr. Hobbs began his education at Indiana State Normal School at Terre Haute, continued at Marion Normal School of Marion and graduated with a B.S. from Ball State in 1928. He completed work on his Masters at Indiana University, receiving it in 1937.

Mr. Hobbs' life has centered around the school and his family. Hobbies have included his intense interest in woodworking and in raising dogs.

Mr. Hobbs attends the First Christian Church of which he is an active member.

JUNIOR CLASS OFFICERS, left to right: P. Scott, vice-president; C. Swanson, secretary; D. Bernacchi, treasurer; R. Fitzpatrick, president.

Junior Class Officers

New ideas and big plans characterize this year's Junior class, led by Richard Fitzpatrick, president; Peter Scott, vice-president; C. Swanson, secretary, and Diane Bernacchi, treasurer. Since this class traditionally sponsors the prom, money making projects were necessary.

Their sponsors were Mr. Ed Feikes and Mr. Roland Hockett.

Juniors Marti Rumely and Julie Lamber check their test scores in the counselor's office.

Dick Fitzpatrick gives suggestions to Prom chairmen Judi Musselman, Dick Handley, and Nancy Hastings.

Class of 1966

This year the class of 1966 became members of the L.P.H.S. student body. The Sophomores, or "Sophs" as they are commonly called, became active in various organizations.

To lead their class, the Sophomores elected Jack Krause as president, Allan Buckley as vice-president, and Mary Lou Parsell as secretary-treasurer. Assisting the officers was their class sponsor, Mr. James Dilworth.

The Sophomores held a class dance in November. In March they sponsored another dance which was open to all classes. The money the class made on these two projects will be used for next year's prom.

Gov't guides students

The main purpose of the Student Council is to promote better co-operation between the faculty and the students in both social and academic affairs.

The Council is responsible for raising funds for the American Field Service program in La Porte High School. Its activities are varied: keeping the patio planted with flowers and operating a successful paper-back bookstore. The Council was responsible for the Homecoming activities and all class elections. The officers for this year were Jim Riley, Terry Kepler, Penny Scholl, and Myra Howell who were elected in the spring

Noteworthy Seniors are honored

Thirty girls, including Gloria Mancini, the American Field Service student, were selected by their classmates to be Senior Girl Representatives. These senior girls will attend the American Association of University Women and Womens' Literary this year. This plan gives the senior girls an opportunity to know what the women of La Porte offer as educational organizations after graduation.

Senior Boy Representatives are chosen in the fall of the year by the senior class. They are selected on the basis of leadership and scholarship.

Every week four boys represent LPHS at civic meetings, one attends Kiwanis, one Lions, and two at Rotary Club. The purpose of these meetings is to give the boys who attend meetings an idea of functions performed by community service clubs.

The group is sponsored by Mr. Mitchell.

Outstanding students are rewarded

National Honor Society is an honor group chosen by the teachers. The selection is based on leadership, scholarship, and service. This year there were twenty-nine juniors elected into the society. All candidates must rank in the upper third of their class. This year the members earned money by selling football pins during the season and sponsoring a dance. The group had charge of the football programs again this year.

Boys Service Club is a group of boys selected for membership for their service to others. The club has 25 members chosen from the three classes in the high school.

This year the boys organized and presented "Lights and Music," Volume VIII. Variety acts, soloists, and musical members were featured throughout the evening. The boys served the annual GR Mother Daughter Dessert.

This year there were five hundred-one members in the Girl Reserves. The girls of all three classes elect their own representatives to form the cabinet. Officers are chosen from the members of the Senior cabinet. These officers head the organization during the year.

The two outstanding social functions of the year were the Christmas formal and the annual Mother and Daughter Dessert. To attend these, each girl must earn two service points by the end of the year. There are many ways to receive two points. A member of G. R. can correct papers for teachers, make a contribution to the Beatty Box at Christmas time, be on a particular committee for either the Christmas formal or the Spring tea, or help in Miss Beesley's office throughout the school year. This gives an opportunity for each girl to be of service to the school.

Swing Choir, a trademark of the La Porte Music Department, has twenty-four members chosen from the A Cappella Choir. The group meets before school in the morning three times a week to work on popular tunes of all kinds. They perform for many civic clubs and organizations plus creating their own concert in the spring. This year boys wore new blue blazers with the Swing Choir emblem. The girls added black sheaths to their wardrobe.

Modern Music Masters is a national honor society for music students. Members are chosen on the basis of grades in music, contribution to the music department, leadership in musical activities, and citizenship.

The purpose of Modern Music Masters is to serve the community and school through music projects and to encourage better and more discriminating habits in listening to and in performing musical literature.

The Pep Band provides music for all pep sessions and occasions where the school and pep songs are needed. The group is directed by Russ Titus, drum major.

Languages and Social Studies

Le Cercle Français meets one Thursday a month. These meetings are conducted in French and give students an opportunity to practice French. This year there were two groups, the junior and the senior organizations.

The main purpose of the Spanish Club is to promote the usage of the language. The group sold candy during the holidays and also sponsored the Amigos Program. These projects enable the club to send a student to a Spanish speaking country.

are backgrounds for culture

Latin Club is open to anyone in La Porte High School who has finished one year of Latin. It offers an excellent opportunity for advanced work in that classical language.

The Social Studies Club is available to students who are especially interested in the Social Sciences. It promotes a broader outlook in the various areas of study.

Clubs stress participation

The student librarians are a group of girls who give an hour a day to help in the library. In many different ways, these girls help the students that use the library facilities. They work behind the circulation desk and also in the magazine room. The club this year was the largest ever. They entered a queen candidate for the Miss El-Pe contest and plans were made to send several students to the Annual Library Weekshop at Indiana University this summer.

The Bi-Phi-Chem Club is a science club that directs its interest toward practical uses of the subject. The group was sponsored by the science department heads—Miss Gourley, Mr. Fisher, and Mr. Bernard.

The Art Club is open to all interested students. The club assisted other clubs during the year by making posters to announce the different clubs' events. This year several members made an intricate mural that decorates the art room wall. Through their various activities the club members further their applied knowledge of art.

Clubs offer vocational opportunities

Any high school student interested in nursing or in allied health careers may join the Future Nurses of America. The purpose of FNA is to explore health careers by taking trips to near-by hospital nursing schools, by doing volunteer work in local hospitals, and by helping in the school nurse's office.

Each year FNA raises funds for a scholarship to a deserving senior who plans to enter the nursing profession.

Future Teachers of America, open to students interested in any phase of teaching, has many purposes: to learn the opportunities of teaching, study the life of great teachers, and to become acquainted with the Profession. FTA, sponsored by Miss Hogle, observed National Education Week by giving apples to the teachers, had a dance to raise money for scholarships, and was host for the state area workshop November 2.

Speech and Physical education

The purpose of debate is to develop an interest and a growing knowledge in the art of public speaking. The club was open to all interested speech students. The club has sponsored many activities throughout the year to raise money for debate trips. There are two debating groups, varsity and junior. In this method the inexperienced learned while they observed the varsity members.

Girls' Athletic Association is a physical education group sponsored by Miss Johnson, a gymnastics teacher. The group was extremely active this year. They had an initiation early in the fall and met every week. They also exchanged visits with area schools. In the spring this group gives awards to the girls for outstanding achievements in the field of gymnastics.

are sidelines to major studies

Tau Sigma Chi, an honorary speech organization, initiated new members twice during the year, once after the musical in the fall and again in the spring. The members played an important role in these various productions. Many of the students had acting and speaking parts, several were backstage crew members and a few helped in the direction of the plays.

The impressive candlelight ceremony was held in the school auditorium and the initiates took the traditional membership vows. The club participated in the Miss El-Pe Queen contest; it was also the first to know the selection of the spring play. Miss Kellogg and Mr. Munson were the sponsors.

Bowling encourages competition

The High School Bowling Club was formed for the purpose of recreation. The club is open to all interested bowlers. It meets one day a week at the local bowling alley and bowls in competition on an intramural basis. During the bowling weeks, announcements are made of the highest series scores for both boys and girls.

Hi-Times is the school newspaper which is published every week by the journalism class of the high school. It gives the students weekly resumés of the happenings around the school. This year the Hi-Times has a new sponsor, Mr. Belez. The staff was enlarged this year with the addition of an art editor and a photographer. The staff was changed at the start of the semester. Members of Quill and Scroll are selected by a national committee. Only students of second semester journalism classes may submit application.

El-Pe records school year

Deadlines, picture-taking, layouts, and fund-raising projects were problems the El-Pe staff had to face during the year. The staff was chosen in the spring of the year by the advisor, Mr. Reffett. Activities began during the summer months with the sale of ads. This year the subscription campaign was aided by the sponsoring of a beauty contest. Each club nominated a senior girl to represent her respective group. Students and other purchasers of the book were able to vote for the candidate of their choice when they ordered their copy of the book. The final selection of the queen was made by Vogue Beauty College.

Slicers Battle to 6-6 Tie in Opener

The fighting Slicers started their 1963 gridiron series with a 6—6 tie with Gary Roosevelt. Mike Borowski was responsible for the only Slicer touchdown when he intercepted a pass on the Roosevelt 25 yard line.

Tom Kaminski sparked La Porte to their first win with a score of 19—6 in the Fort Wayne North Side game. Kaminski scored on 29 and 22 yard bursts right up the middle and had several other runs in which he displayed some fine running.

The 1963 Homecoming was a complete success for the Slicers as they trounced Goshen 38—6. The scoring honors on the ground went to Tom Kaminski and Charlie Biggers for two apiece. In the air Don Campbell hit Mason Boyd for one and Moe Hoke hit Borawski for the final touchdown of the game. Jerry Janusch converted two out of six extra point attempts to make the final score 38 points.

In the City game, sophomore quarterback Moe Hoke came off the bench in the last quarter to spark the Slicers to the win with a pass to Dick Fischer in the last ten seconds wiping out a 14—12 Michigan City lead over the Slicers.

LA PORTE SLICERS' CHARLIE BIGGERS (73) AND RAY WILKINS (57) DURING A GAME.

It was one of those games in which things did not go right for the Slicers. One example was when Charlie Biggers was called on to gain a foot that was needed to get a first and ten. Biggers got more than the needed yardage but dropped the ball when he was hit by a Mishawaka linebacker.

The La Porte Slicers fell to the South Bend Ray Wilkins 20-0. This conference record at 2-4 was the worst conference record since 1954. The final overall record was 4-4-1.

Slicers topple Horace Mann for Opener

Elkhart raced to a 75—73 victory over the Slicers in the Slicers' first conference game of the season. The Slicers shot a poor .188 percentage in the first half, but came back in the second period with a very impressive average of .571.

The Orange and Black looked very much improved over their previous encounter when they defeated Fort Wayne North 70—61. The Slicers took an early lead only to have it cut down and surpassed in the first quarter. Later the Slicers came back to win.

Free throws told the story. The Orange and Black hit 15 of 31 while the Bears only hit 4 of 10. We were behind in the first quarter 14—8 and still be-

hind in the second quarter 24—22. However in the second half the team had come back to win 59—49.

The Slicers were down again at halftime 24—23 only to come back in the third quarter to outscore Riley 17—12 and to take command of the game. They kept Riley going in the fourth quarter to beat South Bend Riley 65—52. Combs was the highest scorer.

It was a win against Adams from the beginning. Each player hit over .500 per cent from the field. In the first quarter the score was 22—20 with the Slicers ahead. By half-time they moved the margin to 46—29 and rolled to an 80—66 win.

The tension and disappointment of the Michigan City game can be seen in the team members' faces.

Michigan City came away from the contest with an 85—52 victory in a game which promised before the opening tip to be much closer. Coach Doug Adams' crew took control of the boards right from the start which was a factor in favor of the Devils. Goshen nudged the Slicers 58—57 to wreck any

hope of LPHS sharing the league title. For the second time this season the Slicers lost the game after the final buzzer sounded. The victory marked the third tight game in three years between the two schools.

Slicers win final home contest

The Slicers walked off with an easy 78-59 victory over the Mistawaka Cavemen. The tie assured the Slicers at least a fifth place tie for conference and the best league record since the 1966 La Porte team. The first half was the best that

the Slicers had this season with a respectable 40-6.

The Slicers sliced the S. B. Washington Panthers 73-66 to gain their tenth win of the year. Combs scored 27 points to lead the attack followed by Campbell who had 14 points.

The Slicers will have to wait until next year for a sectional title because they lost to City 76-74. La Porte was ahead the first quarter 24-12 and

at half time 37-31. However, City led at the next stop 56-47 and went on to another sectional title.

The thinclads set many new records in 1963. Rick Reider set a new record in the 440 yard dash with a time of 51.4. Junior returning letterman, Jim Reed set a new record of 1:57.6 in the 880 while John Wells set a new high jump record six feet one inch. The mile relay team composed of John Holmes, Charlie Biggers, Jim Reed, and Reider, set a new record of 3:26.6. The trackmen have won the sectional for the last two years and also the invitational. The Slicers were third in conference. Jerry Saffell ran the low hurdles in 18.1 and the high hurdles in 13.7 to better existing national records. These times were not acceptable because of high winds. Saffell was the second Hoosier ever to be invited to the California Invitational Track Meet. He captured second in the low hurdles and won the high hurdles. The team has high hopes for the 1964 season with nine returning lettermen to support the team.

"Too bad youth is wasted on young people!"

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

2. Once the problem is identified, the next step is to define the objectives and goals of the project. This helps to clarify what needs to be achieved and provides a clear direction for the team.

3. The third step is to develop a plan or strategy to address the problem. This involves breaking down the problem into smaller, manageable tasks and determining the resources needed to complete each task.

4. The fourth step is to implement the plan. This involves putting the strategy into action and monitoring progress to ensure that the project is on track.

5. The final step is to evaluate the results of the project. This involves assessing the outcomes against the objectives and goals and identifying any areas for improvement.
